

WATER AND THE WEST  
UNCOMMON DIALOGUE

---

**Best Management Practices for California's Groundwater Management  
Tuesday, January 31, 2012  
Stanford University Campus**

- |             |   |
|-------------|---|
| 8:00 am     | <b>Continental Breakfast</b>  |
| 8:45        | <b>Welcome and Introductions</b>  |
| 9:00        | <b>Overview of Existing Best Management Practices</b>   |
| 9:30        | <b>"Carrots and Sticks": Should the State Do More to Encourage the Adoption of BMPs and, if so, How?</b>    |
| 11:00       | <b>Break</b>  |
| 11:15       | <b>Funding: From Where Will the Funding Come to Plan and Implement BMPs?</b>                                |
| 12:30 pm    | <b>Lunch</b>  |
| 1:30        | <b>Hurdles to BMPs: What Other Policy Improvements Could Help Promote and Support BMPs?</b>                 |
| 2:00        | <b>Beyond Existing BMP Tools: Are Pumping Restrictions Inevitable?</b>                                      |
| 3:15        | <b>Break</b>  |
| 3:30        | <b>Beyond Existing BMP Goals: Connecting Surface Waters, Groundwater-Dependent Ecosystems, and Land Use</b> |
| 4:45        | <b>Conclusions and Next Steps</b>   |
| 5:00 - 6:00 | <b>Reception</b>  |
-
